Partnerships/Membership:

Corporate Industries participate in NDA events only if they are Golden Partners or Annual NDA Members. Industries may also sponsor specific events.

Ministerial Government ministries host roundtable lunches, which then guarantees 3 of their representatives participation at roundtables during a period of 2 years. Governments can also extend their participation and visibility by taking up an annual NDA Ministerial Support.

Content Partners Content partners provide intellectual support. Through exchange of information, mutual recognition and co-sponsoring of events, communication between international organisations, NGOs and think tanks is reinforced.

Sponsorship:

Conferences Institutions, governments and leading defence companies sponsor high-profile conferences through packages that range from Conference Initiation to Conference Sponsorship or Conference Documentation.

Roundtable Sponsorship Chair a debate during an NDA Roundtable.

Focus Group Sponsorship Preside over a 10-15 person focus group derived from a Roundtable session on a topic of choice.

Press Dinner Sponsorship Coordinate a small informal press dinner for top journalists and policy makers. Includes all aspect of organisation from lieu to logistics, pre-documentation to summary reports.

Tailor-made Discussion Paper An opportunity to co-decide with the NDA on a Discussion Paper theme and provide a preface by the organisation's Chairman or CEO. Authors' suggestions are welcomed and copies of the papers can be distributed as a joint initiative to a chosen list of people.
